

2016 James Dunleavy Novice Meet
Sunday, July 17th, 2016

8:00 am – 1:00 pm

Five Oaks Swim Club, Catonsville

Registration Fee: \$10.00 per diver

The James Dunleavy Novice Meet is a meet for divers who do not obtain the necessary scores to complete in Championships. Think of it as a "novice championship." Every year, about 100 divers attend the meet from across the two CMDL leagues. The scoring at the meet is THE SAME as any other meet. No "special" or "inflated" scores are given. However, novice divers have more chances to shine at this meet since they are competing against divers with similar skills. Also, we usually separate large age groups into separate "divisions" to allow opportunity for more divers to place. Please note that scores at this meet do not qualify divers for championships.

Registration:

Please notify your Coach if you would like to attend by Thursday, 7/14. Registration is not required, but teams are requested to email the name and age group of each diver that you know will be attending to Katy Alexander at: kaalexander@m.marywood.edu. On the day of the meet, the coaches should submit dive sheets before the first session; however, changes are allowed during registration for individual sessions and on the board as allowed in CMDL. All divers must be registered at least 45 minutes before the start of their session.

Schedule:

There will be three sessions with warm ups between each session. The schedule is tentative and may be adjusted based on the number of divers attending. Please note that a session may start up to 15 minutes earlier than the projected start time.
